

K-Love serves us as a resident of our community by positively encouraging us and lifting us up. We are so blessed to be able to listen to powerful messages and music as they impact our daily life. If K-Love were displaced by an LPFM broadcaster providing other program we would be very disheartened. K-Love is not only a part of our lives but a part of our community. K-Love is in the public's interest because we have enough negativity out in the world today and we need as much positive as we can get. Please keep K-Love as we all depend on it to encourage us daily.
